To Whom It May Concern;

I am the Complainant/Petitioner for Docket 2020-266-E v. Duke Energy Carolinas.

The nature of this Complaint was to have tree trimming performed on the Duke right-of-way at the rear of my property. From conversations with Duke, they have indicated that this is now scheduled to be performed the 1st Quarter of 2021. If they are scheduling this work, then completing this would settle the dispute. Because of the timing of hearings, etc., it is conceivable that the work would be performed before the scheduled hearing in January.

Based on these recent discussions with Duke, I wish to have this Complaint withdrawn.

Should you have any questions, please feel free to reach me at

Sincerely,

John Nihiser
